Introduction, Rationale and Policy Statement

At Banstead Prep School we believe effective assessment is essential in achieving the school aim that all pupils develop their full potential. Pupils' work is assessed regularly and thoroughly. We use a variety of internal and external assessments to inform teaching and learning and to ensure all pupils make good progress according to their ability. This is expected of each member of staff in each subject area.

This policy applies to all members of our school community, including those in our EYFS setting. Each member of staff and department implements this policy in their own area. This document is available on the school website in line with our Provision of Information Policy and should be read in conjunction with the below:

1. Curriculum
2. Teaching
3. Marking

The school follows the assessment arrangements of the EYFS Reform statutory framework.

BPS is fully committed to ensuring that the application of this policy is non-discriminatory in line with the UK Equality Act (2010). Further details are available in the

school's Equal Opportunity Policy document. BPS seeks to implement this policy through adherence to the procedures set out in the rest of this document.

This document is reviewed annually by the Deputy Head – Academic or as events or legislation change requires. The next scheduled date for review is June 2024.

Assessment Procedures

In order to ensure assessment is effective at Banstead Prep School, staff implement these procedures in their own area:

- Assessment of pupils' work is regular and assignments are regularly set and marked.
- The assessment of pupils' work is thorough, using consistent marking schemes and offering constructive comments so that pupils understand how they can raise the standard of their work.
- Assessment of pupils' work is used to inform planning of future lessons.
- Subject Leaders and SLT are responsible for ensuring that staff within their department adhere to the whole-school marking scheme so that feedback to pupils is consistent.
- The meaning of marking codes and schemes are clearly explained to pupils and their parents and displayed around the school.

Use of Assessments

As part of the assessment of pupils, staff regularly and systematically analyse and use data provided to plan and modify provision for pupils. We do this in a variety of different ways including:

EYFS: Following the EYFS Reform Framework, Baseline assessment and EYFS profile, daily observations and formative assessment and inputting this information onto Teacher tracking. Phonics assessments, PIRA and PUMA (Summer Term).

Key Stage 1: PIRA and PUMA (MARK), Writing assessment, formative assessments, internal assessments and Phonics assessments. Pupil's progress in English and Maths is continuously tracked. Power BI data (produced by UL) is analysed and next steps are shared with staff.

Key Stage 2: PIRA and PUMA (MARK), writing assessment, Star Reader, formative assessments, senior school practice papers, internal assessments, CATs (Yr 3 and 5) and a screener for all Year 3 pupils to indicate possible signs of dyslexia. Pupil's progress in English and Maths is continuously tracked. Power BI data (produced by UL) is analysed and next steps shared with staff.

The data outlined above is discussed with Subject Leaders, SENCO and SLT. It is used to inform teaching, lesson planning and to ensure pupils receive appropriate intervention if necessary. Subject Leaders review progress against data in order to

evaluate academic pupil performance, for individual or a range of different cohorts. The data enables comparisons to be made with national norms for schools.

Reporting

Information about a pupil's progress and attainment is sent to the parents of every registered pupil in accordance with the reporting schedule outlined in this section unless the parent has agreed otherwise with the school.

EYFS

All Nursery Children have a Tapestry Profile which records their weekly interests and achievements. Assessment is an ongoing process which involves all staff who work with the children. Parents can access and contribute to these Tapestry Profiles.

Nursery parents receive a 'Planning and Summary sheet' about their child's progress in the Prime Areas of Learning in line with parents' meetings in the Autumn, Spring and Summer Term.

Reception parents receive a 'Planning and Summary sheet' about their child's progress in the Prime Areas of Learning in line with parent's meetings in the Autumn and Spring Term. At the end of the Summer Term they receive a report on all areas of learning and attainment against the Early Learning Goals. Reception parents are

offered to come into school to discuss achievement against the Early Learning Goals in the Summer term.

Formal parents' evenings are held twice a year for Reception children; however, parents are encouraged to contact the school at any time if they have any concerns about the progress their child is making. Likewise, BPS staff contact parents if a pupil is not making expected progress.
