

## Home Quizzing with Accelerated Reader

During the school closure, Accelerated Reader is available for home quizzing, so you will be able to quiz many of the books you read during the school holidays and into next term, until school opens again.

### Access to Home Quizzing

To quiz, use this link to the BPS Accelerated Reader site:

<https://ukhosted89.renlearn.co.uk/2260357>

Then you can log in using your normal username and password. Hopefully you will remember these or have them written in your school planner. If not, please e-mail me and I'll send it to you.

I will continue to monitor your quizzing, and during term time I'll be checking for more Word Millionaires and we can celebrate your achievements through the Banstead Bulletin each week. I wonder how many of you will achieve that this year....

### Access to on-line reading books, especially non-fiction

The company which runs Accelerated Reader is also giving free access to a large collection of on-line books during the school closure through Myon:

<https://readon.myon.co.uk/>

Just follow this link, go to their website, click on Start Reading and off you go! You'll see there are lots of categories of books there, so you can follow your own interests.

For fiction on Myon, look in the 'Genres' category. There are graphic novels there as well as 'normal' ones.

Myon can read the books to you, or you can just read them yourself without using the audio version. There is even a dictionary you can use right next to the book, so you can look up the meanings of unknown words as you go along.

### How to check if a book has an Accelerated Reader quiz

Use the website <https://www.arbookfind.co.uk> and search for the title or author. Always use the actual title of the book, not the series name. If it doesn't come up, double-check by searching for the author. All books with Accelerated Reader quizzes are listed on this website. You will need to check if Myon books have a quiz; not all of them do.
