Aims and Objectives

Social media (e.g. Instagram, Facebook, Twitter, LinkedIn) is a broad term for any kind of online platform which enables people to directly interact with each other. However, some games such as Minecraft or World of Warcraft, including Playstation and Xbox games, and video sharing platforms such as You Tube have social media elements to them.

Banstead Preparatory School recognises the numerous benefits and opportunities which a social media presence offers. Staff, parents/carers and pupils are actively encouraged to find creative ways to use social media. However, there are some risks associated with social media use, especially around the issues of safeguarding, bullying and personal reputation.

This policy aims to encourage the safe use of social media by Banstead Preparatory School, its staff, parents, carers and children.

This also applies to anyone who is not directly employed by the school, including volunteers or parents.

Monitoring
School accounts must be monitored regularly and frequently (preferably 7 days a week, including during holidays). Any comments, queries or complaints made through those accounts must be responded to within 24 hours (or on the next working day if received at a weekend) even if the response is only to acknowledge receipt. Regular monitoring and intervention is essential in case a situation arises where bullying or any other inappropriate behaviour arises on a school social media account.
