

## **Home Use Agreement (For 1:1 Devices provided to children in Years 3-6)**

The principles outlined in this Banstead Prep Home Use agreement covers what Banstead Prep will do, what we will ask you as a parent/carer to do, and what your child will be required to do, for safe and secure use of school devices at home.

Please read this agreement with your child and return it to us signed by you and your child to help us work together for successful use of school devices.

### **Safety arrangements**

The children's safety and wellbeing are our highest priority. To deter theft and to encourage careful care of the iPad, we have installed some security features and work closely with local Police for crime prevention. Devices reported as lost or stolen will be locked by school to make them unusable and tracked so they can be recovered.

### **Banstead Prep will:**

- provide an iPad in a case, with charging lead and plug, to your child
- make sure that the device is working and that repairs are dealt with as quickly and effectively as possible
- provide technical support for use of the device in school and where possible, when it is used away from school
- Protect the iPad against viruses
- apply web filtering and monitoring software when connected to the internet in school
- block access to the most harmful / inappropriate websites when using at home
- give students and parents / carers a detailed introduction to using the device and how to care for the device and the software
- provide ongoing technical support and maintenance when required if the device is used correctly within these terms and conditions

### **As Parents/Carers we will:**

- ensure that our child cares for their iPad when working at home and does not take it out of the case at any time
- make sure the iPad is fully charged, and our child brings it to school every school day
- support our child in remembering to leave the iPad on charge, overnight, in a communal space (not their bedroom)
- monitor iPad use at home to ensure the device is used appropriately.
- read the iCare Terms and Conditions
- ensure that the iPad is maintained in good condition understanding that if there is a negligent loss or damage that cannot be repaired that we may be liable for the full repair or replacement cost
